7th International Pediatric Gastroenterology
Hepatology and Nutrition Meeting
Skopje, North Macedonia
18-19 April 2025

The 7th International Pediatric Gastroenterology, Hepatology and Nutrition Meeting

is revolutionizing the concept of conferences, moving away from the old, traditional, and often monotonous formats.

It will spotlight all the hot topics in pediatric management and care, including nutrition and development, allergy and immunology, gastroenterology, and Hepatology.

Join us in the enchanting city of **Skopje**, a place where history, culture, and natural beauty converge, making it the perfect setting for this innovative event
