

Summer Course of Pediatric Gastroenterology, Hepatology and Nutrition

SCPGHAN

26 - 27 July 2024

Amman, Jordan

Experts from ESPGHAN will meet regional pediatric gastroenterologists, general pediatricians and neonatologists to share expertise, scientific research, and knowledge.

Based on the latest papers, recommendations and guidelines.

Jordan is one of the most beautiful countries in the Middle East. Where history meets culture, beauty, nature, and the sciences

Summer Course of Pediatric Gastroenterology, Hepatology and Nutrition

SCPGHAN

26 - 27 July 2024

Amman, Jordan

The SCPGHAN will take place in Amman, Jordan on 26 and 27 of July 2024, and will be the ultimate meeting place to discuss the interplay between Gastroenterology, Hepatology, nutrition and development in the pediatric age group.

The SCPGHAN is designed to deliver high level, clinically and theoretically significant updates and comprehensive trends from our experts who will focus on the recent challenges that ensure that every child in our region grows well to reach his or her full potential.
