Welcome **MESSAGE**

EPIC BOARD

Dear Colleagues and Friends,

It is our great pleasure to welcome you to Abu Dhabi for this remarkable gathering of pediatric experts, where shared knowledge, global expertise, and collective passion unite to shape a healthier future for children worldwide.

Built on the pillars of excellence, evidence, and innovation, the First Elite Pediatric International Congress provides a unique platform for leaders from around the world to exchange the latest scientific advances and elevate pediatric care across all regions.

This congress represents an important milestone, fostering meaningful collaboration, inspiring new ideas, and helping define the future direction of pediatric medicine. We warmly welcome you and wish you an inspiring, enriching, and memorable experience in Abu Dhabi.

Dear Esteemed Colleagues, Distinguished Guests, and Friends,

It is with great pride and heartfelt pleasure that I welcome you to Abu Dhabi for the First Elite Pediatric International Congress, taking place on May 1–2, 2026. This landmark gathering represents far more than a scientific meeting—it is a shared commitment to advancing the health and wellbeing of children across our region and the world.

As we convene in this vibrant, visionary city, we bring together leading experts, dedicated clinicians, pioneering researchers, and passionate advocates who all share one mission: to elevate pediatric care through excellence, evidence, and innovation. Over the coming days, you will experience a rich scientific program, dynamic symposiums, hands-on workshops, and invaluable opportunities for collaboration and meaningful exchange.

Abu Dhabi, known for its spirit of openness, progress, and global partnerships, provides the perfect setting for such a prestigious event. I am confident that the knowledge generated here, the dialogues sparked, and the connections formed will leave a lasting impact on our practices, our institutions, and most importantly—our patients.

On behalf of the Scientific and Organizing Committees, I extend my deepest gratitude for your participation, your expertise, and your trust. Your presence enriches this congress and strengthens our collective mission to shape a healthier future for all children.

I warmly welcome you to this exceptional congress and wish you an inspiring, productive, and unforgettable experience in Abu Dhabi.

With my highest regards,

Dr. Ahmed Abdelaal

President First Elite Pediatric International Congress

Why **ABU DHABI**

Abu Dhabi stands as a global crossroads where innovation, hospitality, and world-class infrastructure come together, making it the perfect destination for an elite scientific gathering. As a rapidly emerging hub for medical excellence, research, and education, the city offers a safe, modern, and inspiring environment that welcomes experts from across the world. Its strategic location, seamless connectivity, and commitment to advancing healthcare make Abu Dhabi an exceptional host for a congress dedicated to shaping the future of pediatrics.
